- Programming language
 - Java, Kotlin, Python, Powershell
- Data analysis/visualization
 - SQL, R, TIBCO Spotfire
- Other
 - Docker, Microsoft Azure

LANGUAGES

Cantonese – Native
Mandarin – Good
English – Good

As a computer science student, I have learned computer programming and how to closely cooperate with others. I can work independently with very little supervision. Whenever I encounter difficulties, I would try to solve them by myself first. Moreover, I am a good listener and have an immense capacity to genuinely accept and respect people, so I can work well with others.

PROFESSIONAL EXPERIENCE

IT Summer Internship (CLOUD) - 06/2022 to 08/2022
